One of the signers is Heber J. Grant. president of the Mormon Church. His stand is interesting, particularly because of the announcement of Senator Reed Smoot, of Utah. about three weeks ago that he was against the treaty and the covenants because of Mormon prophecies.

Among the other signers are former Fresident Taft, former Attorney General George W. Wickersham, A Lawrence Lowell, president of Harvard; Charles C. Moore, of San Francisco, president of the Pana,na Hxposition; Judge George Gray, Wilmington, Del.; Samuel Compers, president of the American Federation of Labor; Harry A. Wheeler, Chicago. retiring president of the Chamber of Commerce of the United States; Carrie Chapman Catt, president of the National American Woman Suffrage Asociation; Cyrus H. K. Curtis, Philadelphia, and John Spargo, leader of the Socialists who stood behind the Government during the war.

The address to the Senate asserts that each day's delay in ratification puts the world in "imminent peril of new war. No objection

reservations in the nature of clari-fications of the meaning of the treaty not inconsistent with its terms which "will not require the reopening of the negotiations with Germany and with our associates in the war which we all and each united to win."

if you're deaf, don't forget that

they can hear you, and if you're dumb,

bring your horns and cowbells along.

Don't be afraid.

Comment on Business

By BOERSIANER. Least affected by the depreciation in foreign moneys are the British; about 12 per cent more than normal. and as sterling is likely to fall still more unless something is done speedily, this burden must increase. Imports from India cost about 3752 51% Texas & Pacific.. 53% 50% 51% per cent more than before the war, Prices must advance equivalently in London on articles so imported, and

It has been inevitable that at a certain level Americans must needs arrange credits for Europeans, es-44% Un Realty Imp ... 47% 44% 47% pecially for the United Kingdom; that point has been touched. Yet, borrowing is a palliative, never a remedy. Americans just now are protecting their credits abroad and trying to maintain their outward trade. But looking well ahead, so long as 3116 Wabash pf A 30% 1016 1016 a country lives beyond its means, it 54% Westinghouse... 54% 54% is in a vicious circle. The depreciacost of imports; prices accordingly

Teach Your Children to Build Up a Bank Account

I IS much easier for a child to acquire a habit than it is for an adult, and frugality is simply a habit. Teach him to save part of his pocket money, and put it in the Bank, and he will probably continue the habit all through life, greatly to his benefit.

Money spent carelessly in youth would have built permanent success in the experienced hands of mature life.
